

# Hoosiers Back Home Today For Four Game Series With Reapers

## TO OPEN TODAY WITH DOUBLE BILL

First Game to be Called This Morning at 10 O'clock—To Try Uew Hurler.

By Ed. J. Murray.  
After a 10-day road trip, during which eight games were staged and two called off on account of rain, the Hoosiers are due back home this morning and will open a four-game series with Springfield. The first game will be played this morning at 10 o'clock and the second this afternoon at 3 o'clock.

The present series will end on Thursday, when the locals will hike to Grand Rapids and then to Muskegon for two series of four games. These clubs will then come to South Bend and this will wind up the first circuit of the league.

Rafferty, a hurler, is to be given a chance to show his worth during the present home stand. He was with Milwaukee early this season and was ordered to join the Texas league club. He could not see the idea of playing in the south and refused to report and was declared a free agent. He was promised a chance before the Hoosiers left on their present road trip.

### Will Play One Field.

Opfergelt, who tried out with the locals this spring, will be in one of the gardens in the game Tuesday morning. Just what field he will perform in is a question. Owner Smith failed to say when he informed Sec'y Baumbach to secure Opfergelt who has been performing with the Studebaker club. But he is certain to be in either right or left field. Baumbach has been the only outfielder to hit the ball as outfielders should. Grimes is hitting better than Fisher according to the latest averages issued by Press-Tribune, but since these were issued "Red" has clubbed several safe blows and now stands a few points higher than he was listed.

Loudmire and McColl are expected to do the hurling honors for the Hoosiers Tuesday. Loudmire was sent against the Vets twice and did some good work. He hurled 20 innings against the Vets and they counted only five times. Had the home club done any scoring for Louie he would have copped both titles. McColl dropped the same he hurled at Springfield but a couple of wild heaves put the Hoosiers on the wrong side of the count.

### Made Poor Showing.

The local team has not made what one would call a strong showing on the road trip. They won two out of three at Wheeling, dropped three to Dayton and two to Springfield.

This is not the kind of ball playing that wins pennants or keeps the team in the first division, but in all fairness it must be admitted that Ed Smith has been getting the frown of the Gods of Fortune. He has been getting it ever since the men reported here for spring training and is still suffering from the effects. But Ed has made no yell but has continued to try and better his club and is entitled to the support of the local fans. His team has been playing good ball. The only trouble is it hasn't been winning.

But right as a starter Withrow was injured and was forced to get out of the game. This left the catching up to Eggleston and "Egg" was not ripe enough for Central league baseball and quite a few games were lost because an experienced man was not behind the plate.

### Gray Was a Failure.

Then Gray, a short failed to plug up the hole there. He came here with everything in the way of records for past performances. He was booked as a .290 hitter and was expected to get them on all sides and to drive over many a run. But Gray did not live up to expectations nor to past performances.

Then with Donnelly behind the plate the team looked better. Next Hensling was signed and by his work in two games on the home lot showed he was the boy for that shortstop job. In his third game, the first on the road, he was spiked and he has been out of the game since. Zeiger who is filling his place is not Hensling and the team is weaker as a result.

Another piece of bad luck was Hill's illness. Herb had been going strong when he was troubled with an ailment of the throat. He had to return to South Bend and is not ready to take his turn in the box. He is out and around, but it will require several days before he will be ready to hurl the kind of ball he pitched in his last two games.

### Hensling Due Soon.

But to turn back the dark clouds, Hensling's hand is getting better fast and he expects to be back in the game by the end of the week. Hill will be in harness next week at the latest and then (knock wood), the club will be ready to go, and this for the first time this season.

While it looks pretty much Dayton at present, it is not an assured thing that the Vets are going to cop. The season is not more than one-fifth gone and many things are likely to happen. The Vets have had a regular line up in practically all of their games, they have got the big breaks, but almost any worm will turn and the other seven clubs are about due for some breaks when facing Dayton.

## EIGHT MEN REPRESENT N. D. IN CONFERENCE

"Dutch" Bergman Expected to Make Showing With the Sprinters.

Eight men will represent Notre Dame in the conference track and field meet to be held at Northwestern university, Evanston, next Saturday, according to announcement made by Coach Rockne yesterday.

The men who will probably wear the gold and blue in the Evanston meet are: Capt. Bachman, Hardy, King, Voelkers, Miller, McDonough, Kirkland and Vogel.

Bachman will enter the weight events, Hardy and King will compete in the dashes, Voelkers and Miller will fight for honors in the quarters, with McDonough in the half, Kirkland in the hurdles and Vogel in the javelin.

"Dutch" Bergman will not be taken to the conference meet. Because of his injured leg, the speedy dash man did not go good in the state meet last Saturday, and he would hardly be able to compete at his best in the conference.

Rain prevented the varsity baseball team from getting a workout yesterday, but it is expected that Coach Harper will give the men one or two hard drills before the games with the Aggies and Michigan.

Harper has not decided how he will use his pitchers in the three clashes, which will close the collegiate season for Notre Dame.

## 21 SPEEDERS TO FACE FLAG TODAY

Gaston Chevrolet to be Given Chance This Morning to Qualify for Race.

Associated Press Service:  
INDIANAPOLIS, Ind., May 29.—Ralph Mulford and Eddie O'Donnell qualified late today for the 300-mile race on the Indianapolis motor speedway tomorrow, but tonight it was announced that an accident to the machinery of O'Donnell's car would prevent him from starting, Jack Lecain's car also was in such poor condition that he is not expected to compete, making the probable list of starters for the sixth annual international sweepstakes 21.

Despite the heavy rains today, the race will be run, if it is not raining at the time of starting the contest, 1:30 tomorrow afternoon, it was announced. The rain apparently did not dampen the spirit of the thousands of speed enthusiasts who are thronging the downtown hotels and cafes. Automobile parties were arriving continually and many others came by steam and electric railway.

The Favorites.  
Of the 21 probable starters, John Aitken, Jose F. Christens, Eddie Rickenbacker and Dario Resta are the favorites on the betting boards and among the fans. The team of Gil Anderson, Howard Wilcox and Tom Rooney is picked as a "dark horse" aggregation, on account of their excellent showing in the elimination trials.

Almost as much talk was heard tonight of the probable speed of the winner as of the winner himself. The record was established by Ralph DePalma when he won last year at an average of 89.84 miles an hour. There is much speculation as to whether this record will be broken.

### WILL GRAFT MUSCLES.

International News Service:  
ZURICH, May 29.—Professors at Zurich university declare they soon will be able to graft the muscles in the stumps of amputated arms to artificial hands so that the owners can open and close the fingers.

## Only Girl In the World Who Loops the Loop

Katherine Stinson, 19-year-old high school girl, most famous aviatrix in the world, is coming to South Bend on Sunday, June 4, with her amazing exhibition of looping the loop, upside-down and trick flying feats. In addition to Miss Stinson, the "idol of the speedways," the famous Dario Resta, winner of the \$34,000 Chicago speedway automobile derby, the Sheepshead Bay world's 100-mile championship and the world's 100-mile championship in Chicago last August, is coming to Springfield park the same day to race Miss Stinson in a contest for the championship of the universe and to drive two exhibition races against old Father Time, using his French Peugeot racing car, the machine he drives in the big speedway events and the one he used to hang up the average of 105 miles an hour for an entire hour at New York.

Resta's coming to South Bend is all the more important when it is known that he has never been seen in America on any tracks but the speedways in New York, Chicago, Sioux City and Minneapolis. He races at Indianapolis today and then comes to South Bend. From here he goes to Chicago for the 350-mile derby on June 10.

Miss Stinson is the sensation in aviation. In addition to her wonderful looping and upside-down flights, she battles a fort or scenic city while she is half a mile in the sky. She uses real dynamite bombs. She is now in New York flying at the great preparedness spectacle at Sheepshead Bay. She also loops the loop at night with a blaze of fireworks marking her trail in the sky. Last Wednesday night she performed the feat in New York, flying from Brighton Beach to Coney Island and then to Sheepshead Bay, where she was decorated with a medal of honor by the military officials of the New York national guard, under whose auspices she flew.
